Leasing Properties through a Real Estate Agent

If the property is being leased through a Real Estate Agent, you should contact the agent directly to arrange an inspection of the property.

Application forms

If you decide to apply for the property, you may need to fill in an application form. You will be asked to provide details about your employment, your capacity to pay the rent, previous residence, and work and personal references. It can be helpful to attach copies of references and scholarship details (if applicable).
